

Hiking Club

Do you like hiking? Do you like spending time in the woods?
Then maybe the hiking club is for you. We will meet 2 Wednesdays per month. During one of those meetings we will plan and learn outdoor skills, and the other will be the actual hike. Each child will need a ride from school to the trailhead, and will need to be picked up at the end of the hike.
STAND trained parents are welcome to hike and help us.

Other important info:

- The hiking club is free and is for any 4th or 5th graders. All one needs is a love of the outdoors, some snacks, water, and a backpack.
- I am only able to accept a maximum of 9 students, first come, first accepted.
- We will mostly be hiking in nearby Patapsco State Park.
- We will try to have one longer hike in the spring, on a Saturday.
- Please detach, sign, and return the slip below to Ms. Poland, by October 7th.

I, _____, would like to join Ascension's hiking club.
