

Scrabble Club

I will be leading a group of children in a Scrabble Club. Do you know what Scrabble is? Scrabble is a game played with letters on wooden squares and a board with squares and numbers on it. You can play the game with two or more players and have a lot of fun. You can make words and lay them on the game board and score points for making words. You will also learn new words and count points. By joining this club, you can become a very smart person.

Here is my list of the way you can join my club:

1. Next, you need to know how to take turns and be a good sport.
2. First of all, you have to be in third or fourth grade.
3. Third, you must have permission from your parents to stay after school on certain Wednesday afternoons from 3:10-4:00 and have your parents be able and willing to pick you up as soon as the club is finished at 4:00 sharp.
4. After you bring back your signed form. I will be picking the fourteen most responsible children from each of the grades listed to become members of my Scrabble club.

Scrabble Club will meet on the second and fourth Wednesday of the month, starting the second Wednesday in October and will continue until April of 2010.

The club fee will be \$10.00 and can be paid in cash on the first meeting of the club. We will hold a special Christmas Scrabble meeting early in December with some special treats, too.

I look forward to making words out of letters with you and counting up our scores.

Sincerely,
Ms. Laurel Machovec

* If there is a special event on that day for Ascension, I will send out a notice that our club will not be meeting for that week.
