

Dear Parents,

Welcome to Pre-K ! Attached you will find a suggested book list. Over the summer, each child should have five books read to him/her. Then choose three of those books and draw a picture to illustrate each parents should write the title on the picture. Please try to read a variety of books from the list. For math recognizing numbers 0 to 10 and geometric shapes circle, triangle, square, rectangle . I look forward to meeting you on Tuesday August 25 please bring your book list and pictures with you. Have a safe and relaxing summer.

Thank you!

Mrs. Robin Mason
